

EMERALD LEAF INSTITUTE

Clinic Registration Instructions

(All patients must register – both new & renewal)

- Complete the Clinic registration forms, sign and return to ELI with a copy of your Drivers License, State ID Card, Military ID or Passport, along with proof of current address.
- The patient must bring with them the doctors' clinical notes – which include the history and physical assessment/diagnosis – at the time of appointment. We will not be responsible for obtaining such records for the patient.
- Pay the required ELI fee with your registration forms. Please note that our medical team is not required to sign the Attending Physicians Statement despite payment of fees.

Fee Schedule:

New Patients

\$20 – Clinic registration (This is the fee for registration with ELI to create your medical record. If you are a new patient, we require medical records documenting your qualifying condition within the past 3 years.)

\$110 – Doctor Consultation and Physical Exam

Renewal Patients (from any clinic)

\$20 – Clinic registration update (This fee is for updating and providing a review of your medical records. If you are a renewal patient, we need medical records documenting your qualifying condition for the last year)

\$89 – Doctor Consultation and Physical Exam

Veterans

\$20 – Clinic registration (This is the fee for registration with ELI to create your medical record. If you are a new patient, we require medical records documenting your qualifying condition within the past 3 years)

\$89 – Doctor Consultation and Physical Exam

All Fees are non-refundable

We accept Cash, Money Orders and Credit/Debit Cards. No checks please.

Please make Money Orders payable to Emerald Leaf Institute.

*if you are a renewal patient whose card has been expired for 3 or more years, new patient fees will apply.

**Please note that registering with ELI as a patient is separate to registering or renewing with the State Medical Marijuana Program. The State requires a separate application and payment for registration.*

Emerald Leaf Institute is committed to providing a safe, secure and private environment for our patient's peace of mind. We will not release any patient information to any third parties, unless requested in writing by the patient or required by law enforcement and/or court order.
